### FINDING THE RIGHT SIZE PART ...

**a** = Panel Hole Size

**b** = Height/Length

1. Please use this diagram to help you measure the **a** & **b** dimensions of the BUNG you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. Our BUNG part numbers are made up of the two **a** & **b** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.
