### FINDING THE RIGHT SIZE PART ...

**a** = Largest Diameter

**b** = Smallest Diameter

**c** = Length

1. Please use this diagram to help you measure the **a**, **b**, **c** dimensions of the TAPERED BUNG you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. Our TAPERED BUNG part numbers are made up of the three **a**, **b**, **c** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.
