FINDING THE RIGHT SIZE PART ...

- a** = Panel Hole Size
- b** = Inner Diameter
- c** = Overall Diameter
- d** = Height Of Flange
- e** = Depth

1. Please use this diagram to help you measure the **a, b, c, d, e** dimensions of the FLANGED BUSH you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

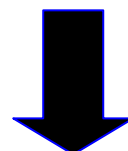

2. Our FLANGED BUSH part numbers are made up of the five **a, b, c, d, e** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.
