- Next Day Delivery On Items That Are In Stock
- Only 7 – 10 Days Lead Time On Made To Order Parts
- Many Types Of Rubber Available (Subject To Minimum Order Quantities)
- Just £30.00 Minimum Order Value (Applies To Stock Items Only)

Please Note: Some parts may be subject to minimum order quantities should they not be in stock.

FINDING THE RIGHT SIZE PART ...

a = Panel Hole Size

c = Cable Hole Size

d = Length

1. Please use this diagram to help you measure the **a, c, d** dimensions of the CABLE ENTRY SLEEVE you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. All our part numbers are made up of the three **a, c, d** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.
