FINDING THE RIGHT SIZE PART ...

a = Internal Diameter

b = Height

c = Overall Diameter

1. Please use this diagram to help you measure the **a, b, c** dimensions of the FOOT you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. Our FOOT part numbers are made up of the three **a, b, c** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.

OUR PART NUMBER	a (mm)	b (mm)	c (mm)
RF240-320-508	24.0	32.0	50.8
RF254-426-480	25.4	42.6	48.0
RF318-254-381	31.8	25.4	38.1
RF350-120-500	35.0	12.0	50.0
RF370-426-480	37.0	42.6	48.0
RF381-400-525	38.1	40.0	52.5
RF508-318-700	50.8	31.8	70.0
