FINDING THE RIGHT SIZE PART ...

a = Inner Diameter

b = Depth

c = Overall Diameter

1. Please use this diagram to help you measure the **a, b, c** dimensions of the FERRULE you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. Our FERRULE part numbers are made up of the three **a, b, c** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.
