**Please Note:** *Some parts may be subject to minimum order quantities should they not be in stock.*

### FINDING THE RIGHT SIZE PART ...

**a** = Outer Diameter  
**b** = Overall Length  
**c** = Outside Diameter

1. Please use this diagram to help you measure the **a, b, c** dimensions of the HANDLE GRIP you require. Using these measurements as a guide you can then select a product code from the list that may be suitable for your requirements.

2. Our HANDLE GRIP part numbers are made up of the three **a, b, c** dimensions of the part itself.

3. Alternatively please [click here](#) to see our 'Guide to Measurement' information sheet.

TYPE A			
OUR PART NUMBER	a (mm)	b (mm)	c (mm)
RHG190-1016	19.0	101.6	31.0
RHG200-1016	20.0	101.6	32.0
RHG220-1016	22.0	101.6	32.0

TYPE B			
OUR PART NUMBER	a (mm)	b (mm)	c (mm)
RDG191-1270	19.1	127.0	28.0
RDG200-1270	20.0	127.0	28.0
RDG222-1270	22.2	127.0	28.0
